

Application Germany Scholarship

Timeline of the application and selection process

From now until August 23, 2026 (11:59:59 p.m.)	Application for students at KHM Cologne
Expected by mid-September 2026	Selection of new scholarship recipients
Late September 2026	sending scholarship offers/rejections

Dear students of the Academy of Media Arts Cologne,

You can apply for the Germany Scholarship from now until August 23, 2026, at 11:59:59 p.m. to be eligible, you must have at least two semesters of study remaining (up to and including the 2026 summer semester). The scholarship period covers twelve months from October 2026 to September 2027 inclusive.

Seven scholarships are expected to be awarded. One of these will be earmarked for “technical proximity or orientation of the artistic approach (e.g., animation, 3D animation, aesthetics, and new technologies)” and one for artistic photography.

For reasons of personal data protection and confidentiality, the student group representative will not be provided with any information or documentation regarding specific personal or family circumstances (see Guidelines § 3 (6)).

Please submit two PDF files with the following documents for your application:

First PDF file:

1. Data Sheet
2. Achievements
3. Artistic portfolio. It may not exceed 15 pages. If the portfolio includes films, active links must be provided in the document to allow direct access for the duration of the review process. References may be made to up to three film clips, each of which may not exceed 10 minutes in length.

This will be reviewed by the faculty members and the student member of the jury.

Second PDF file:

1. Data Sheet
2. Community Involvement
3. Personal Circumstances

Do not submit any medical reports or similar documents.

This file will be reviewed by the Anti-Discrimination Officer and the Equal Opportunity Officer.

The entire jury will then compile the individual evaluations into an overall result.

Please send the documents in a PDF file to << deutschlandstipendium@khm.de >>.
